TAFPRS SCHEDULE

2010 OCTOBER 22-24

Dear Colleagues and Friends:

It is my great honor and pleasure to hold the 7th International Symposium of Facial Plastic and Reconstructive Surgery & Annual Meeting of TAFPRS during October 22-24, 2010, at the Chiayi Chang Gung Memorial Hospital. I cordially invite you to this special meeting that is going to be held in Taiwan. Facial plastic and reconstructive surgery, a special field, has been considerably advanced in recent decades and this meeting will provide superb opportunities to the participants in acquiring valuable information about this field.

Our meeting will focus on the most important issues related to this specialty. We have organized forum including face transplant (the first time in Asia!), rhinoplasty, oculo-plasty, facelift, proflap, composite fat injection, minimally invasive cosmetic surgery and local flap reconstruction. There will be live/video demonstration, mini-workshop, instruction course and free papers for exchange our experiences in this field as well.

This year, we very proudly have Professor Fu-Chan Wei (Taiwan), Daniel S Alam, MD (USA) and Tom D. Wang, MD, FACS (USA) as our honor guests and keynote speakers; Jae-Young Chung, MD (Korea), Rikimaru Hideaki, MD, PhD (Japan) Myung Jong Lee, MD, PhD (Korea) and Peter Chan-Woo Kim, MD, PhD (Korea) as distinguished international speakers. We also have comprehensive domestic faculty cover the whole fields of facial plastic surgery from Taiwan.

Chiayi county is in the southern part of Taiwan and rich in natural and cultural resources. I and the members of the TAFPRS together with our colleagues will do our best to make the meeting a memorable one. On behalf of TAFPRS 2010, I am delighted to invite you to attend the meeting held in Taiwan. I look forward to seeing all of you and your families in Chiayi soon!

Sincerely Yours,

William Wen-Hung Wang, M.D., Ph.D.
